

# **NEUTRAL CLEANER**

***SUPER CONCENTRATED - ENVIRONMENTALLY FRIENDLY - SURFACTANT BASED CLEANER WITH NEUTRAL pH***

Ionic & Anionic Surfactants, wetting agents, pH adjusted in the neutral range, phosphate free and biodegradable. **NEUTRAL CLEANER** is recommended for use on ceramic tiles, natural stones, grout, concrete, brick, metal, rubber and all other resilient surfaces. Superb cleaning and rinsing properties.

Mix as little as 1/2 ounce per gallon of water for general cleaning and degreasing. May also be used at slightly higher amount of concentrate mix for heavier cleaning. **NEUTRAL CLEANER** leaves surfaced sparkling clean, especially chrome and brass bathroom fixtures. May be used as often as necessary on any surface not affected by water. **NEUTRAL CLEANER** has been specially formulated with a neutral pH so that it may be used continuously without harming surfaces. Enhances shine and brings back the natural beauty of the surface.
